EXPERIENCE

Intuit. Experience Design Intern
Summer 2015 | Menlo Park, CA

Collaborated on the re-design of the company intranet and information architecture. Generated streamlined layout and interaction components based on user research and iteration.

The Information Systems Milieux. Teaching Assistant
Fall 2014 - Fall 2015 | Pittsburgh, PA

Facilitated essential course operations such as exam grading and office hour sessions. Assisted in the instruction of key concepts of HCI and Information Systems, including a web design project.

athenahealth. UX Design Intern
Summer 2014 | Watertown, MA

Supported reskin of product experience by collaborating on contract re-design and an updated pattern library. Designed a new Windows application to manage clients' devices.

Human-Computer Interaction Institute. Research Intern
Spring 2013 | Pittsburgh, PA

Researched the impact of dialects in classroom environments. Designed and implemented studies to collect data regarding students' cognitive learning processes.

PROJECTS

Waste Auditing Web Application. Design Lead
Spring 2015 | Pittsburgh, PA

Led a team of four in the design of a waste auditing web app for non-profit, Zero-Waste Pennsylvania. Streamlined the auditing process by creating a responsive and intuitive interface.

FitMate. Interaction Designer
Spring 2015 | Pittsburgh, PA

Utilized lean methodology to create and user test the mobile application, FitMate. Produced hi-fidelity designs and business growth models based on feedback and market research.
